

## **Premium Domain Names**

**We represent some premium domains that are available for purchase.**

**We have successfully sold domains like [digitalcurrency.org](https://digitalcurrency.org) internationally and have had good experiences with the monetary service of Escrow.com.**

**Most of the domains we represent are with Opensrs as we are a reseller for them, some with namecheap and cloudflare, but we can also work with other registrars to satisfy the demands of escrow services.**

**The following are some of the domains that are available and you are welcome to [contact us](#) [1] to negotiate:**
