## **Premium Domain Names**

We represent some premium domains that are available for purchase.

We have successfully sold domains like digitalcurrency.org internationally and have had good experiences with the monetary service of Escrow.com.

Most of the domains we represent are with Opensrs as we are a reseller for them, some with namecheap and cloudflare, but we can also work with other registrars to satisfy the demainds of escrow services.

The following are some of the domains that are available and you are welcome to <u>contact us</u> [1] to negotiate:

- <u>digitalcurrency.info digitalcurrency.biz digitalcurrency.us bearerinstr</u> uments.com [2]
