

Artwork

We can commission artwork and create animated pictures from either different cells or pictures taken while artist paints. You can view previous works and choose an artist to create your custom work. Not only will you have a fine art to display at your business or organization, you will also have an animation of that artwork that can be a centerpiece of your web site.

- Caricatures
- Cartoons
- Ink & Line Drawings
- Impressionist Acrylic Paintings
- Want a different media - like a wall mural? ask

Pricing

Pricing dependent upon selection of artist and medium.
